## President's Message

Hello to all club members, old and new. We have a fairly interesting month coming up. First, our speaker for this month will be Joe Libeu. He will be giving a very good talk on tactics, flies, etc. on the Lower Owens. It promises to be very interesting. I would very much like all members who can to attend. I think this will be very beneficial for all of us. Especially since we have been talking about a club outing in the near future to that area.

Later this month on the 28<sup>th</sup>, we will be having our annual installation dinner. This is our biggest fundraiser for the year. We will be signing people up for the dinner at the next meeting on the 10<sup>th</sup>. Please sign up (and pay?), so we can plan on the amount of people to feed. Everyone should have received a flyer in their Email by now. We will also have a large raffle with many different items. We already have lined up rods, reels, float tubes, inflatable PFD's, etc. I am sure there will be something there that everyone will want to win. I believe we have been promised a few carvings from our friend and member Bob Lancraft. Tickets for this outstanding raffle will be \$10 each.

There will be a fly tying class on Friday, the 13<sup>th</sup> (Really?) As usual, it will be run by Steve Plantenga. Steve is also working with one of our local Boy Scout troops and hopes to maybe have them there this month also. We will probably know more at the monthly meeting.

A few of us attended the fly buy at the Long Beach club on Jan. 31<sup>st</sup>. A lot of good tyers there and some very interesting flies were being tied. I went, along with Rodney Romero, Steve Plantenga, and Rocky Pacini. A friend of Rodney's also went. It was a very interesting day. Maybe someday we can have a casting pond and clubhouse like they do.

One more thing before I shut up for this month. The Fred Hall Sportsman's show is coming up from March 4<sup>th</sup> through the 8<sup>th</sup>. I know it is not a flyfishing only show, but sometimes you can find some very interesting things to check out and even buy. Also, the Southwest Council will have a booth there and I plan to help out there on the 4<sup>th</sup> for a few hours. It is at the Long Beach Convention Center and if you have never been, you should, at least once.

See you all at the next meeting.

Mike Hayes

## February's Guest Speaker

Our guest speaker is Joe Libeu, owner of Sierra Pacific Fishing Adventures, Guide and on the IFFF Casting board of Governors. Joe will be doing a program on the Lower Owens and how to improve your success on the stream. Joe has been fishing the Lower Owens since 1973 and views the Owens as his home stream. Joe will cover stream side approach, reading the water, wading, entomology, nymph leader systems, stream side etiquette. Join us for a evening of education.

Mike will be having dinner with Joe before the meeting at Applebee's Restaurant beginning at 5:30PM. Club members are welcome and keep in mind that it is a no-host dinner.

## Upcoming Fly Fishing Expo

This is an event that some of our members went to last year. They all reported that they had a great time, met great people and ate great food. This sounds like

something to put on your calendar for April 11<sup>th</sup>. and 12<sup>th</sup>.

## Hi-Desert Fly Fishers on the Web

Recently, Patty Gnuse took on the challenge of updating our website. If you haven't seen that site in a while you should check it out. There is a lot of new information on there. Thank Patty when you see her for a job well done.

## Hi-Desert Fly Fishers on Facebook

Yes, Hi-Desert Fly Fishers is now up on Facebook. Rodney Romero created a really nice page for our club. Make sure to check it out.

## Fred Hall Fishing and Boat Show

# Long Beach Show

at the Long Beach Convention Center  
March 4 - 8, 2015

We have been asked to participate in the booth for the Southwest Council of the International Federation of Fly Fishers. Anyone wanting to lend a hand at the booth during the show should talk to Mike Hayes.

## Let's Talk Membership

Our Club's Annual Membership is as follows;

Single membership, \$30.00

Family membership, \$35.00

It is also mandatory that each member of our club be a member of the IFFF. Their annual membership is as follows;

Single membership, \$35.00

Family membership, \$45.00

They have other discounts based on age and multiple years. Check out the web site at [southwestcouncilfff.org](http://southwestcouncilfff.org).

## Friday Night Fly Tying

### This month with Steve Plangentia

Friday we will be tying a Stimulator. This fly is a great one to use, it catches lots of fish. When you cast this fly out it sits in the surface film for a long time. Sometimes the fish will take it for a Grasshopper or Stonefly. Eventually it will sink, then wait 5 to 10 seconds and start stripping it in. If you are stripping it, expect a hard rapid strike. Come to the Friday night fly tying class to learn more about this legendary fly.
