President's Message for October 2016

October! The beauty of Fall! The changing color of the leaves, cooler days and nights, and larger trout! I have almost always caught bigger fish in the fall. I'm hoping for a good time this year.

We have a lot going on this October. The campout and Flyfishing fair in Bishop on Oct. 14th through the 16th. A lot of us will be going to that. Because of that, there will be no fly tying at Barry's this month. Most of us will be in Bishop.

On October 22nd, we will again be hosting the vets of Project Healing Waters at Jess Ranch. Robert Ledford is once again allowing us the use of his facility for the day. We will be passing around a sign up sheet for volunteers at the October club meeting. Please participate if you possibly can. Even if you can only come for a couple of hours, it will be greatly appreciated.

I will also be passing around a sign up sheet for anyone that is interested in going to the inter club tournament on the Kern River in November. It is a \$25 entry fee per person (if you are an IFFF member). If you think you want to go, please be prepared to give us some form of payment at the club meeting. We have to have our entry feed in by the end of October. I sent all of the information out to everyone this past week. I hope you all read your emails from me.

OK then, I hope to see a lot of you in Bishop, and at Jess Ranch this month. In the meantime, let's go fishing!!

One more thing! I am still waiting to hear from some of you in regards to your IFFF number and expiration dates. I still need them ASAP! PLEASE!

Mike Hayes

President

Project Healing Waters

Sat., October 22nd!!

Be there!

Sorry for this short and to the point newsletter. We are having technical difficulties with our new laptop and I (Mike Hayes) had to throw this together real quick.

Thank you all for being such good members and I hope everyone that is going to Bishop has a wonderful time.
