## President's Message for December 2015

I don't really have a lot to say this month. Not a lot went on in November. We are planning to have a possible slide show of club outings during this past year at the upcoming meeting. We will also announce upcoming events and speakers for next year. I think we have some interesting things lined up already, and a few more that we have been tossing around. Will present all at the meeting and also be asking for input on any ideas that club members have regarding events or speakers.

The club officers are asking everyone to bring a dessert of some kind to the December meeting (Pie, cake, cookies, etc.). The club will take care of plates, forks, and drinks. There will also be the usual raffle with some good things to give out. If anyone has any items they want to donate to the

raffle, please bring them in and we will put them up also.

## Dues Time

I would like to remind everyone that it is time to pay your club dues for the next year. Please submit this to Melissa as soon as you can so we can have everyone up to date. Dues are the same as last year, \$30 per individual, or \$35 per family. Compared to some of the larger clubs, this is cheap.

## Friday Night Fly Tying

Since it is the Christmas season and people are busy with shopping and other holiday preparations, we will not be having a fly tying class on Friday. I was also very disappointed with the turn out for last month. Only Larry Baker and myself showed up. If we have more people interested in another day for fly tying, maybe we can come up with another location. Please let me know. I will try to bring this up at our December meeting.

Until next month, tight lines and happy fishing to all!

Mike Hayes
