President's Message for December 2016

Merry Christmas to everyone! This will be my last newsletter message as president of our wonderful club. After 2 years as your president, I have decided to step down and have someone else take over. Our vice-president, Steve Plantenga, has decided to do the same. Therefore, we will have an election at this month's club meeting. The only candidates we have so far are: Rodney Romero for president, and Rocky Pacini for vice president. I think that both of them will do a great job and help the club progress even more. There are already plans for more club outings and events in the coming year. You will be reading more about them in upcoming newsletters.

Assuming that we elect Rodney as president, we will then be short a secretary. I would like to see someone volunteer to take over this job. We will be asking for anyone that might be interested to step up at the next meeting.

I have enjoyed the last 2 years as president. I would not have made it through without our great board of directors. Actually, they did most of the work, and I want to thank all of them for their help. I think we have a great club and I want to see us continue down the road in our current direction.

We will be collecting dues for 2017 starting this month. They will still be \$30 for an individual, and \$35 for a family. The only thing new this year is that we will be requiring you to show us your IFFF membership card when you pay your club dues. I have to do this because we seem to have a number of club members that either do not belong to the IFFF, or have not renewed. It is MANDATORY that you belong to the IFFF. Please comply with this request. If you don't belong, we will collect for this and send in your application for you if necessary.

I am going to attempt to take over our web page and bring it up to date. So I will still be involved in club business and the board. I hope to get this done very soon and then keep it up.

Looking forward to the next year with the Hi-Desert Flyfishers!!
