**Time:** 7:00 pm

**Place:** Apple Valley Fire Station

**Address:** 19235 Yucca Loma Rd.

Apple Valley

**Website:** www.hidesertflyfishers.com

## President's Message for June 2016

Since I don't have any presidential words of wisdom this month, I am "borrowing" all of the important stuff from our club Facebook page. I would really like to thank Rodney Romero for starting and maintaining this page. You can get club news and events much sooner than from our monthly newsletter. Thanks Rodney!!

## Camp out & Chili Cook Off

Well its over! the 1st annual Hi-Desert Fly Fishers chili cook off is in the books. I'm certain everyone had a wonderful time!

Thanks to the 10 Participants that cooked it up in our chili cook off, honestly every single one tasted amazing!

This campout / chili cook off was truly a success and hope to see everyone back next year!!

Chili was not the only thing on our mind this weekend it was also about the fishing ! HDFF had a stream side presentation with Sierra Trout Magnet and guide Jim Stimson. We had great weather caught some nice fish and learned alot, thanks Jim!!

## This Month's Agenda

HDFF general meeting scheduled for June 14th at 7:00pm

Our guest speakers... yes! I said speakers, are Ryan and Rob Buhler. Ryan and Rob have been fishing for nearly 20 years, primarily in the eastern Sierra and Southern California mountains. Long time members of Southern Sierra fly fishing club, they greatly enjoy teaching classes in fly tying and have given many presentations to IFFF affiliated clubs throughout Southern California including the Re-grand opening of the Kern River Fly Shop. Both Rob and Ryan are current pro staff field representatives at Togens Fly Shop.

Their topic for the evening will be:

Targeting Trophy Trout with Streamers.

They will be covering rigging tackle, best flies to use proper presentation, how to read various waters, best time to fish and fighting large predatory trout. What is most exciting they will be discussing waters that we are all familiar

with .. Crowley lake, Eastern Sierra Spring Creek, East Walker and the Kern River.

Get ready for a very educational and fun evening, I recommend taking notes!!

Hope to see you there!

## HDFF at the Fair

I would like to thank everyone who helped with our exhibit fly tying booth at the San Bernardino County Fair. We met a lot of people and even tied some flies. I would really like to thank Barry Bishop for being there every day, especially because I couldn't.

## Upcoming Events

Don't forget, on June 11<sup>th</sup>, we have a streamside presentation by Guy Jeans, owner/guide/instructor, a Certified Casting Instructor with the International Federation of Fly Fishers. Limited class size, make your reservations early. The cost will be \$75 per person. We will probably give a report on how this went at the meeting on the 14<sup>th</sup>.

## Fly Tying

Since our next fly tying Sunday is on Father's Day, I will be asking at the next meeting whether we have enough people interested in doing it. Also, if Barry even wants to host it.
