President's Message for February 2016

HDFP general meeting is scheduled for Tuesday February 9, 2016 Starting at 7pm. We will be having a knot tying class and other things presented by our own member Paul Sinclair. We have decided that maybe some of our members, especially new ones may not even know how to tie some of the basic knots used in fly fishing.

So please join us for this exciting session. Even if you know how to tie knots, you might learn something new.

Fly Tying

We will be having our fly tying session on Sunday February 13th. Also, instead of being at the fire station, it will be held at Barry and Gail Bishop's House. We had a fairly good turn out last month, let's see if we can't do even better this month. Anyone that would like to try learning to tie flies, please come and we will see if we can't get you started. Even if you have no tools or materials come anyway. We can supply you with everything you need and teach you the basics of fly tying. Before you know it, you will be hooked like the rest of us! I will pass out maps and Barry's address at the meeting on the 9th. Or you can call or text me at 909-273-1357 and I can give you directions over the phone.

Rocky's First Fly!

Keith Kern

I will make a brief message to announce the sudden passing of our long time member Keith Kern. Keith was a Big Bear resident and guide. He has also put on a couple of presentations to our club about fishing Big Bear. He will be sadly missed.

Installation dinner!!!

Please look at the other file for more info on our upcoming dinner on the 27th of February! We need to sign people up at the next meeting so we can get a head count for dinner. This is to raise funds for the club. Please try to attend!! Lots of great prizes for the drawing!
